

Hydro extractors

professional laundry extraction systems

Extractor Features

- Robust & reliable
- Easy to use
- Reduces drying time
- Basket suspension
- Swing away lid
- Stainless steel construction

dry

Extractor Features

Laundryserv extractors help to reduce drying time by removing the maximum amount of water from the fabric.

basket suspension keeps noise and vibrations to a minimum.

stainless steel drum and basket ensures long machine life.

swing away lid makes the machine easy to load and unload.
